The Chief Secretary to the Government of His Highness the Maharaja of Mysore, Bangalore.

SIR,

In forwarding herewith a plan and estimate of Rs. 380/- received from the Executive Engineer, Mysore Division, for converting the Inpatients Ward at Seringapatam into quarters for the Assistant Surgeon, I have the honour to state that Seringapatam being so near to Mysore, the inpatients are not likely to number more than half a dozen ordinarily.

It is difficult to get proper houses in the town itself, and even if they are available, they are not decent enough or sanitary enough for occupation by the Assistant Surgeon. This has been a cause of legitimate grievance to the Medical Officer's posted to this town.

I would, under these circumstances, request you to

P.T.O

kindly obtain early sanction of Government for the conversion of the Inpatient Ward into quarters.

I have the honour to be,

Sir,

Your most obedient servant,

S. Subbarao

Senior Surgeon.

Sir,

With reference to your letter No. G.9919/Med.242-30-2 dated 27-3-31, enquiring whether in case the inpatient ward at Seringapatam is converted into quarters for the Assistant Surgeon, there would be any other accommodation available for the limited number of inpatients, I have the honour to state that there is an old building originally intended as quarters for the Assistant Surgeon which is crumbling down. If the building is partly demolished and the material used for repairing the remaining portion or constructing one room and a bath room, it would ~~render~~ serve the purpose of a ward to admit emergent
